Ladies of the Sea
COACHING REGATTA

September 28, 2026

Dear Skippers and Boat Owners,

We're looking forward to seeing you this coming weekend for the Ladies of the Sea coaching regatta. There are a few things we'd like to communicate to set your expectations for activities and timings.

Your boat's details will be entered into the club's race management system Sailsys. The link to the online noticeboard is HERE - https://app.sailsys.com.au/club/2/results/series/5985/races
Please ensure all your crew are included in your boats crew register and encourage your crew to update their details in Sailsys before Saturday.

Please also encourage your crew to join us for the Women Celebrate Sailing Dinner on Sunday night, partners are also welcome. The dinner has been a huge success in past years and we would love to see all teams there. If you or your crew would like to book for this dinner you can do so through the registration link. Note bookings close at the end of the day October 1. We cannot cater for walk-ins on Sunday night.

Our Friday night briefing is in the Careening Cove Anchorage. The bar will be open and timing is 6:00pm for 6:30pm. Skipper's packs and crew goodie bags will be available for collection.

The Careening Cove Anchorage is also open for dinner. If you and your crew are planning to stay for dinner on Friday or Saturday night, please book a table via the website (RSYS members) or alternatively let us know your booking details via return email. We appreciate your help with this as it will help us prepare with appropriate staff numbers.

The Careening Cove Anchorage will be serving breakfast grab 'n' go options - muesli/yoghurt cups and fruit salad/yoghurt cups. The usual weekend sandwiches will be available, and additional lunch options will be available for participants to purchase at breakfast time to take on the boat for lunch.

If you are planning to bring your boat to the club on Friday, or stay overnight Saturday and Sunday in the Pond please also let us know so we can advise the waterfront dockmaster.

Ladies of the Sea
COACHING REGATTA

Parking

We are able to offer one parking spot per boat over the weekend. Please let us know via email to ladiesofthesea@rsys.com.au if your boat will require parking. You will need to provide your boat name at the boom gate to gain access.

Looking forward to a great weekend!!

Yours in sailing,

Ladies of the Sea Coaching Regatta Organising Committee
